📌 Daps Distribution Like Us

About Daps Distribution Co. LTD

Daps Distribution Company Limited started distributing crop protection products under Turkana Group of Industries (Former Daps Group of Companies) in 2012. As a dedicated and committed company, we continually strive to become greater and better at what we do best.

We are committed to providing high quality products and superior services to our customers. We are one of the largest manufacturers of Foliar Fertilizer Formulations (NPK) in the East African region and we remain committed to constantly introducing new agricultural chemicals and inputs in Uganda, Rwanda and Tanzania. Our efforts extend beyond providing outstanding products and services to even the most remote areas in the region for healthy crop yields and profitable harvests to farmers and all agriculturalists.

We conduct research and participate in a number of initiatives to constantly develop the agricultural industry so as to effectively contribute to sustainable development. We implement strategies that accelerate growth through innovation and strengthening organizational capacity.

One of our goals is to continuously seek new technologies and products that will have greater impact on the scene of agriculture.

Our Vision

To be the leading formulator, importer, distributor of Crop Protection Products in the East African Region through the selling and supply of dependable and affordable agricultural products to farmers with an aim of promoting profitable farming.

Our Mission and Goals

To provide our customers with quality products and services in an operationally excellent manner at competitive prices

To provide our vendors with market penetration and sales growth through reliable logistics, effective sales execution and superior customer / client / vendor service.

To operate the business profitably, enabling the company to finance growth

To provide employees with reliable payments (salaries and wages), opportunities, work benefits, safe working conditions and all the best ways to grow professionally and ethically

Daps Distribution Co. LTD works towards strengthening economies we work in by providing employment, supporting various projects in education, agriculture, water and health.

PRODUCT BROCHURE

Application / Enkozesa

 Kozesa mils 30-50 ng'otabula mubika byedagala erita omuddo eddala lyonna.
 Tabula mls100 mu litta 16 eza mazzi oba mls150mu lita 20 eza mazzi nga ogoba ebisaka nebititi ku farm.
 Kozesa mls 200 - 250 okuta omudo mukaasooli oba mukukoola kasooli

CLOPSTAR
APPLICATION (USE)
 Mix 20-30ML in 20L of water and spray after every 7 days
ENKOZESA
 Tabula mils 30 mu lita 20 ez'amazzi.
 Tabula mils 20 mu lita 16 ez'amazzi.

MANCOZEB-PRO
APPLICATION (USE)
 Mix 6 spoons in 20L of water and 4 spoons in 16L of water
ENKOZESA
 Tabula ejjiiko 6 mu lita 20 ez'amazzi
 Tabula ejjiiko 4 mu lita 16 ez'amazzi

DAP CYPER
APPLICATION
 Mix 80-100ML in 20L of water or 60-80ML in 16L of water.
ENKOZESA
 Tabula mils 80-100 mu 20 litta ez'amazzi oba mils 60-80 mu litta 16 ez'amazzi

Application / Enkozesa

CODAFOL MAXIMUS
APPLICATION (USE)
 Mix 60ML in 20L of water and 48ML in 16L of water.
ENKOZESA
 Tabula mils 60 mu lita 20 ez'amazzi
 Tabula mils 48 mu lita 16 ez'amazzi

CODAFOL ZN-L
APPLICATION (USE)
 Mix 60ML in 20L of water and 48ML in 16L of water.
ENKOZESA
 Tabula mils 60 mu lita 20 ez'amazzi
 Tabula mils 48 mu lita 16 ez'amazzi

CODA-CU-L
APPLICATION (USE)
 Use 60mls in 20 ltrs and 48mls in 16ltrs of water

WEED SOLUTION 75.7 XL
APPLICATION (USE)
 Mix 80g in 16L of water and 100g in 20L of water.
 Spray the mixed solution on all types of weeds.
ENKOZESA
 Tabula ejjiiko 8 eza Weed Solution 75.7 XL mu lita 16 ez'amazzi n'ejjiiko 10 mu lita 20 ez'amazzi.

WEED SOLUTION
APPLICATION (USE)
 Mix 100ML in 16L and 150ML in 20L when spraying annual weeds.
 Mix 150ML in 16L and 200ML in 20L when spraying perennial weeds.

ENKOZESA
 Tabula mils 100 mu lita 16 ez'amazzi ne mils 150 mu lita 20 ez'amazzi okutta omuddo ogutali muwangazi.
